VOLUME 36, NUMBER 2

June, 2003

**36th Annual Meeting of the Society for
Invertebrate Pathology,
Burlington, Vermont, USA**

July 26-30, 2003

Welcome to Burlington! The SIP Annual Meeting will take place on the shores of Lake Champlain in lovely Vermont. The Local Organizing Committee is progressing with plans and will have the final program available on the SIP web site (www.sipweb.org) in early July. The printed program and abstracts will be available to all attendees at the July meeting.

Social program and activities for accompanying persons: The social program for the event includes: the opening mixer, the excursion which will be a Lake Champlain Boat Cruise and/or Magic Hat Brewery Tour (fee), Fun Run & Walk (fee), Waterfront barbeque, and the closing banquet.

Registration: May 30 was the final date for the early bird discounted registration & excursion fees. Registrations received after this date are subject to a higher registration fee (see registration information on the SIP website).

Refunds / Cancellation reminder: Refunds will be accepted prior to July 11, 2003 less a handling charge of US\$100.00. After July 11, returns cannot be guaranteed due to the required commitments for the Conference Planning Committee.

Program:

The program is still being finalized, but the list of symposia is presented in this Newsletter. For more updated information please visit the event web site regularly.
